

****Please note all flavors are made on the same equipment to process multiple flavors. Every effort is made to run products without gluten first, followed by those with gluten. Machines undergo a hot water rinse after flavors with gluten are produced. All flavors are produced in a facility that also processes milk, egg, wheat soy, peanut, tree nut products. May contain traces of other allergens than listed on this chart.**

ALLERGENS						
	MILK	SOY	WHEAT	EGG	COCONUT OIL	NUTS
